Often-out-of-**body**-and **not** in-**his-mind**
In-the-**F4** **pit**-he-gave-a-**check** ride-to-**Crow**, who-
went out-of-**body**-too-and-**hit**-a-damn pole!
Peewee **hated**-the **2**-seat-**F4**
And-the-**WSO's** all **hated** him-a **whole** lot **more**
An-**Airline** **Captain**-he's **doin** just **fine**, but-there's-

91 The-**Viper** was **quieter** **outside**-and **in**
With-**No** **Fucking-Wso**, a-**single**-seat **win**! No

91 **Moose** has-a-**quiet...** **mellow**-attitude
But-**after**-one-**tequila**-he's-a-**fuckin** wild dude

Havin fun should **never-be hard**

When **you're** flyin **JETS** in the **Fresno** Guard! Fox 3 Dilly Dilly!

J. **2-Dogs-is-an-Indian name**, Cherokee? and

Dr. Mork's probably-not-a-real MD

When-**Yoda-ran-the-squadron** he-**put** out-a-**NOTAM**

“The **Griffin pilots-are-a-bunch** of **SCROTUMS**”

On **one** phantom-**flight**, Broker **was** distracted, His-

bowels got **clogged** so-he-**had-to-be-extracted**

Sparky deserves an-**award** and-a-**beer**

He-**proved** that-an-F4 **doesn't** need **gear**

K. **Guido-led-a-2** ship **straight-in** to land

His **wingman just** was **not** a lucky **man**

High and **fast** Guido **wasn't** too **stable**

His-**wingman-went-around** and **Guido-took-the-cable!**

Guido's a **deacon** now, **he's** no **dunce**, but-he-

damn near **killed** himself **more** than **once**

His **Guardian Angel** **kept** him-**alive**

Probably-**best** if-it's-**not-a-fast jet** he **drives**

When-**Yoda-joined-United**-he **walked** real **tall**-but-he-was-

Still-a-short scrotum-and still real **bald!**

When-the-**wing** commander-left, **we** were-all **wishin**,

That-Lieutenant-**Siko** would **get** that **position**.

But-his-wife still-wishes that he-was-Tom Cruise!
Mork-and-wife Pam went-to-San-Antonio
The-world shootin-match there-was-really-quite-a-show.
They-both won troph..ies, Mork-was-number-one,
His trophy now proves that he's Top Gun!
Havin fun should never-be hard
When you're flyin JETS in the Fresno Guard! Fox 3 Dilly Dilly!

O. 94 On-the-next trip-to-Panama-refueling-in air,
The-weather was bumpy-on-the-flight down there
The-radio's-were-quiet-in-that-moderate chop
Except-when-Gruve called... "Pewee-Make-it-stop!"
When-the-squadron-arrived there-was-sun and sand, and
strange creatures it-was-Cuda-Munday land
Almost-had-a-casualty scuba-diving-there,
The-current-sucked-out-Aileron and-he sucked air.
Havin fun should never-be hard
When you're flyin JETS in the Fresno Guard! Fox 3 Dilly Dilly!

P. 97 When-Aileron-retired he-was-diggin-his-life
flyin-Airlines and-hoping-to-massage your wife
Broker was cool but-it-just wasnt funny
That he always earned so much more money
Howdy-made-you-work if-he-saw-you-in-the-hall
Then-had-to-answer-wife Can...dy's phone calls
He-got-a-new office it-was-fine and dandy
But-when-the-phone rang--- again it-was-Candy
Havin fun should never-be hard
When you're flyin JETS in the Fresno Guard! Fox 3 Dilly Dilly!

Q. Curly-ran-the-squadron-his name is funny
But-he was-the-best at making money
All those paychecks-he-never worked hard
Getting-paid by-the-airline and by-the Guard!
Then there's Grinder a conscientious-guy
He'd-grind his teeth when-his-stress was high
He got pissed we learned real well
When-he's kicking-trash cans, run like hell!

When you're flyin JETS in the Fresno Guard! Fox 3 Dilly Dilly!

R. 97 93 We've-got-a-marine Roadkill's now-his-name

98 Dr. Mork had-a-baby with cute little toes,
He-taught her-to-grab-her crotch-and-pick her-nose!

Havin fun should never-be hard
When you're flyin JETS in the Fresno Guard! Fox 3 Dilly Dilly

Siko-learned-a-**lesson**-leading-4 6-**teens**, yip-

- T. 98 When-the-**docs** were **near**, us **pilots** would **run**
 Cuz-when-**they** saw **us** they **tried** to-poke **fun**
 If-they-**tell** you-to-**turn-around-and- close-your-eyes**
don't-bend-over for-their-**big** surprise
 When-we saw **Howdy**-we'd **run** with **fear**
 He-**delegated-line-of-sight-you-had-to-stay-clear**
 We **later-figured-out** why **Candy** would smirk
 Cuz-at-**home-it-was-to-Howdy** she **delegated** work
Havin fun should **never-be hard**
 When **you're** flyin **JETS** in the **Fresno** Guard! Fox 3 Dilly Dilly!
- U. 00 **Down** in Curacau Col **Curly** had **fun**
 Till-he-**came** on **alert** and-the-**dishes** weren't **done**
 With **one** dirty-spoon that **Col** was **mean**
 He-**wouldn't-sit-alert-until-the-spoon** was **clean!**
Howdy-flew **jets** he **should** have **known**, when-to
Stop a **golf** cart and **when-to-keep goin**
Driving-out-of-bo--dy **means** bad **luck**
 Cuz-he-**crashed** head **on-into-the-parked** SOF **truck!**
Havin fun should **never-be hard**

 By **Asking-him-about-the-fifty-five** mile **rule**
 In-**Saudi, Cal**-forgot-his-**air-refueling-door**
 so-He-**flamed** out-in-**dearm** and-**probably swore**
 He-**learned** there's **one** thing you-**don't** wanna **miss**
 That **door** switch **on-the-post-refueling-checklist**
Havin fun should **never-be hard**
 When **you're** flyin **JETS** in the **Fresno** Guard! Fox 3 Dilly Dilly!
- W. 99 **Jerky** learned-a-**lesson** with-some-**bad** hockey luck
 He used-his-**forehead** to-**stop-a-hockey-puck**
Dude's viper **smoked** up he was **scared**
Landed heavyweight and **shit**-his-underwear
Howdy retired we **had** to-agree
 You-**must** get **brain** damage **when-you-pull G's**
