Griffins for Life,

Mork asked that I pass this on to the group. LtCol Fred Sattler recently passed. I didn't have the pleasure of knowing him, but I hear he was quite a remarkable man with many distinguishing accomplishments. Here's a nickel on the grass for Fred...

LtCol Fred R Sattler
USAF, ret.
15 Jul 1946 - 12 Aug 2017

Fred passed at home amongst close friends. He had been battling bone cancer and did not want anyone to know.

He led a remarkable life as a Fighter Pilot and Aero Engineer. He was the youngest AF officer to achieve the rating Master of Air Defense.

Back in the day, that was a huge deal.

He had no family, and did not want any kind of service. Quite frankly, he did not want me to say anything. He was a very proud and stubborn guy that way. Well, I could not let it go. He was my good friend for 30+ years, and I will miss him dearly.
